From The Principal's Desk

Dear Students,

At the outset of the new session, let me extend a warm welcome to all of you through this message. Graduation signifies an achievement to reckon with as one will be treading a higher level of journey in the educational landscape. I am fortunate to introduce you to our institution through this prospectus for this enlightened learning journey. The college provides a perfect blend of tradition and modern approach to education. Equipped with the best facilities the college environment is enriched with a spirit of bonding and a sense of commitment. Through education we seek to equip our students to gain knowledge and skills that will prepare individuals to lead productive and fulfilling lives. This is done by embracing the pursuit of truth as a way to contribute positively to the society.

I urge you to make the most of the innumerable opportunities for self-development and betterment of the society that are offered by this institution. The spirit of our college resonates with all its staff and students. The mainspring of our college is the students whose holistic development and character building is the primary objective of the institution. This is achieved by focusing on the needs of the individual student and providing the best socio-ecological environment according to his/her specific need. The devoted faculty anchors students to perceive their best selves in every given circumstance. The faculty members are encouraged to participate in induction and development programs to improve their teaching and mentoring skills. In the coming years the college will extensively focus on the National Education Policy (2020) mandated blended learning programmes, skill based education, capacity building programmes for the teachers, non-teaching staff and students and focus on further strengthening the Information Technology environment of the institution. We also encourage our students to become lifelong learners and continue to develop their knowledge understanding and skills throughout their lives. I hope all of you will spend enriching and the most memorable years of your life in our college and make bonds lasting a lifetime.

I. INTRODUCTION

The history of 'Govt. Degree College Sugh-Bhatoli' goes back to July 1992 when the saint - Faqir Chand - a man of foresightedness and immense wisdom - reflecting his true service to humanity, established the same as Deen Dyal Mahesh Public College using 'Mahesh' as a synonym of 'Lord Shiva' and 'Deen Dyal' for His compassionate and kind nature. Situated around 20 Kms in the southwest direction from the town of Nurpur and almost at the same distance in the eastern longitude from Indora, the place is a very beautiful sight famous for the presence of this holy man as well.

A real applause goes to this sacred soul, public representatives, locals and then staff whose abundant efforts proved fruitful when the college was taken over by the Govt. of Himachal Pradesh on 06 August, 2016 as Govt. Degree College Sugh-Bhatoli. Since its functioning day, the College has been imparting a very efficient education in different streams namely B.A., B.Com. and B.Sc. (Non-Medical). At present, the college has beautiful campus including 10 class rooms, 02 science labs, 01 computer lab, a library, a girl common room, a smart class room, a sports room and a playground too. The college has very capable faculty comprising 7 teachers who efficiently work for the welfare of the students and the college. The college also has a small canteen which caters to the needs of students sufficiently.

2. ZERO TOLERANCE TO RAGGING

Under the order of Hon'ble Supreme Court of India vide its judgments/orders dated 4th May 2001, 16th May, 2007 and 11th Feb, 2009 ragging is completely banned in the educational institutions. Anyone involved in ragging in any form will be punished appropriately which may include:

- (i) Imprisonment, fine or both.
- (ii) Expulsion from the college.
- (iii) Suspension from the classes.
- (iv) Fine with public apology.
- (v) Withholding scholarship or other benefits.
- (vi) Debarring from representation in events.
- (vii) Adverse entry in character certificate.
- (viii) Suspension and expulsion from the hostel.
- (ix) Legal proceeding under criminal law shall be initiated.

In case a student is harassed by seniors/ any other students in this institution/ any premises of the college, he/she can contact directly or telephonically the Principal or any member of the Anti-Ragging committee without any hesitation.

6. CHOICE BASED CREDIT SYSTEM (CBCS)			
<p>It is in the year 2016 that New Choice Based Credit System has been introduced as per University Grants Commission (UGC) directions. The system offers an opportunity for the students to select courses from the prescribed courses comprising Core, Elective and Skill Based available in their desired stream. The performance of the student is evaluated following the grading system which is considered far better than the tradition marking system. The University Grants Commission has regulated the guidelines required to be followed regarding the evaluation and computation of the Cumulative Grade Point Average (CGPA) based on the student's examination performance. In this system, students have to qualify three years to complete his Bachelor Degree in the streams- Arts, Science and Commerce, respectively. He/she will be awarded the same only after fulfilling the minimum required grade condition i.e. 132 in total.</p>			

Core Course

This course should compulsorily be studied by a student as a core requirement. This course covers the basics that a student needs to study in that particular discipline.

Elective Course

It is chosen from a pool of courses and is considered supportive to the discipline/ main subject of study. It provides an exposure to some other subject than the core subject intending to nurture student's proficiency.

1. Discipline Specific Elective (DSE) Course

They are the elective courses offered under the main discipline/ subject of study (The College may also offer the elective courses of interdisciplinary nature).

2. Dissertation/ Project Work

This is another elective course of 6 credits which provides advanced knowledge to a project work. The students will study such a course on their own just with an advisory help by a teacher. It may also be given in place of a Discipline specific elective paper.

3. Generic Elective (GE) Course

This is another kind of elective course and generally chosen from across the discipline specific courses opted by students to seek exposure to other subjects. The Course is offered in the 3rd year in the annual system.

Ability Enhancement Course/ Skill Enhancement Course

1 AECC: (Minimum 02 courses)

It comprises the subjects like Environmental Science, English Communication/ Hindi Communication or Sanskrit etc. They are to be studied in the 1st Year.

2. Skill Enhancement Course (SEC) (Minimum 04 Courses)

Related to the main discipline course, they are the courses intended to enhance the employability of the students. They are chosen from the pool of courses designed to impart value based knowledge. They are offered in 2nd and 3rd Year.

Study Hours

In case of DSC, DSE and GE Courses, each course has five lectures and one tutorial (per group) per week for non-practical subjects; however, for practical subjects there will be 04 lectures for theory and 04 hours for practical (Two hours for two days every week). Whereas, SEC course has 04 lectures for non-practical subjects in a week, and it has 03 lectures and 02 practical hours (per group) for practical subjects per week.

7. GUIDELINES FOR ANNUAL SYSTEM W.E.F. 2018-19

The annual examination system has been introduced from 2018 where the two successive semesters have been clubbed into one year and their final examination will be held once in a year in the month of March/ April every year.

Evaluation

1. IA/ CCA and Term End Examinations will be in consonance with the existing RUSA provisions i.e. 70% in theory and 30% in IA/ CCA for Arts and Commerce students, where practical examinations are not involved. For Science and the subjects/courses where Practicals are involved it will be 50% in theory, 20% in Practical Examinations, and 30% in IA/ CCA. The %age of marks obtained in the theory examinations shall proportionately be given to the students of ICDEOL for IA/CCA component as is being done at present.

For Determining CCA following procedure will be applicable:

a) 5 marks for attendance

Every student will have to attend at least 75% LTP (Lectures/Tutorials/ Practical). Any Student having less than 75% attendance will not be allowed to appear in the final examinations.

However, the Principal can allow the students to appear on the production of medical certificate from Govt. Hospital or otherwise on observing the genuineness of absence.

The students getting the exemption except for those getting the exemption for co-curricular activities will not be entitled to the CCA (05) marks of classroom attendance.

Weightage for attendance marks is as under:

75% but < 80%	01 mark
80% but < 85%	02 marks
85% but < 90%	03 marks
90% but < 95%	04 marks
95% & above	05 marks

b) 05 marks for class test to be taken on completion of 40% syllabus by the class teacher.

c) 10 marks for house test to be taken on completion of 75% of syllabus.

d) 10 marks for assignments, tutorials, general behavior of student.

2. The minimum passing marks will be 40% in aggregate. However, 35% each in Internal Assessment and Final Examinations will be compulsory. For Practical Examinations 40% marks will be compulsory and if a student fails to obtain 40% marks in Practical Examinations will be treated as fail in that subject.

A candidate failing in either one or two subjects/papers will be given compartment in that subject(s)/paper(s) and will be eligible for promotion to the next class. He/she will appear in the subject(s)/paper(s) in which he/she got the compartment(s). He/she will have two chances (one at Supplementary stage and one at the Annual stage), available to him/her to clear his/her compartment(s) in subject(s)/paper(s). He/she will not be awarded degree until he/she clears his/her compartment(s) within five years from the date of his/her admission to a particular course. A candidate failing in three or more subjects/papers will be treated as fail in that year and has to/will have to repeat the entire year. The total credits for the pass course at Under Graduate Level is 132 and for Honors Courses at Under Graduate Level is 148.

3. **Re-evaluation:** Re-evaluation shall be applicable as per provisions of H.P. University Ordinance for Annual System.

8. Introduction to National Education Policy 2020

The key highlights of the New National Education Policy 2020 to be implemented in near future are as under:

1. Multidisciplinary Approach

The policy proposes broad based, multi-disciplinary, holistic Under Graduate education with flexible curricula, creative combinations of subjects, integration of vocational education and multiple entry and exit points with appropriate certification.

2. Academic Bank of Credits (ABC)

ABC is a virtual/digital storehouse that contains the information of the credits earned by individual students throughout their learning journey. ABC can be considered as an authentic reference to check the credit record of any student at any given point in time. The earned credits shall be deposited in the ABC and shall be valid for not exceeding seven years for the purpose of commutation of credits and for awarding any degree, diploma, or certificate.

3. Multiple Entry and Exit

A creative combination of disciplines for study with multiple entry and exit points is one very important recommendation of NEP, 2020. The undergraduate degree should be of either a three- or four-year duration, with multiple entry and exit options within this period, with appropriate certifications.

Admission: Undergraduate Programme (First Degree)

Students who have successfully completed Grade 12 School Leaving Certificate shall be eligible for admission to a first degree programme. The admission shall be made on merit on the basis of criteria as notified by Himachal Pradesh University, keeping in view the guidelines/norms in this regard issued by the UGC and other statutory bodies concerned and taking into account the reservation policy issued by the government concerned from time to time. The in-take capacity shall be 80 per subject/discipline.

4. Operational Details of Multiple Entry and Exit in an Undergraduate Programme.

To enable multiple entry and exit points in the academic programmes, qualifications such as certificate, diploma, degree are organized in a series of levels in an ascending order from level 5 to level 8. For Undergraduate degree each level represents certificate. The four year undergraduate programme may comprise courses under many categories. Some of these include:

- disciplinary/ interdisciplinary major (40-56 credits)
- disciplinary/ interdisciplinary minor (20-28 credits)
- vocational studies (12-18 credits)
- field projects/ internship/ apprenticeship/ community engagement and service (24-32 credits).

Qualification Type and Credit Requirements are given in following Table. The entry and exit options for students, who enter the undergraduate programme, are as follows:

1st Year

Entry 1: The entry requirement for Level 5 is Secondary School Leaving Certificate obtained after the successful completion of Grade 12 attaining required number of credits successfully.
