National Education Policy 2020

All students of the College are advised to register themselves on the following Portals:

- 1. SWAYAM:** The full form of SWAYAM is Study Webs of Active-Learning for Young Aspiring Minds. The SWAYAM portal is launched with the objective of achieving three principles of education – access, equity, and quality. The Ministry of Education (formerly the Ministry of Human Resource & Development) launched the SWAYAM program on **9th July 2017**. It aims to provide a quality education through e-learning courses to millions of students.
- 2. DigiLocker: An Initiative Towards Paperless Governance:** It is document wallet to empower citizens. DigiLocker is a flagship initiative of Ministry of Electronics & IT (Meity) under Digital India Programme. DigiLocker aims at Digital Empowerment of citizens by providing access to authentic digital documents to citizen's digital document wallet. It is a secure cloud based platform for storage, sharing, and verification of documents and certificates.
- 3. Academic Bank of Credit (www.abc.gov.in):** Academic Bank of Credits has been established on the lines of the National Academic Depository (NAD), in the sense, NAD is the backbone of ABC, where the students' academic data are held and academic awards are stored (i.e. storehouse of academic awards). Despite the fact that ABC enables students to register or commence credit transfer, the final outcomes of credit redemption and issuance of certificates, as well as the compilation of award records, are administered by academic institutions via the NAD Platform. Hence being the owner of academic awards, Academic Institutions must mandatorily register themselves under ABC via NAD.
