DEVELOPMENT FOR A RESILIENT FUTURE"

(Hybrid Mode)

on 22.02.2025 (Saturday)

Govt. Degree College, Sugh Bhatoli

Dist. Kangra (Himachal Pradesh)

## INTRODUCTION

The history of Govt. Degree College Sugh Bhatoli goes back to July 1992 when the Saint- Faqir Chand - a man of foresightedness and immense wisdom reflecting his true service to humanity, established the same as DeenDyal Mahesh Public College using 'Mahesh' as synonym of 'Lord Shiva' and 'Deen Dyal' for His compassionate and kind nature. Situated around 20 kilometers from the town of Jassur and almost at the same distance from Indora, the place is very beautiful sight famous for the presence of this holy man as well. The motto of the institution is "Satyameva Jayate" means "truth alone triumphs". It is a part of a mantra from the Hindu scripture Mundaka Upanishad.

A real applause goes to the sacred soul, public representatives, local and then staff whose abundant efforts proved when the college was taken over by the Govt. of Himachal Pradesh as Government Degree College, Sugh Bhatoli; vide Order No EDN-A-Ka(1)-6/2015 of Pr. Secretary (Higher Education) to the Govt. of Himachal Pradesh dated 6th August 2016. Since its functioning day, the College has been imparting efficient education in different streams. The institution is fulfilling the aspirations of the youth in getting their higher education dreams. It is also fulfilling the universalization of higher education needs, one of the prominent goals of the state govt. particularly in the rural areas of the state. The institution is situated in the rural area of District Kangra at Indora assembly segment. From the past record, the institution is imparting higher education to the students enrolled mainly from the rural background and out of the total students enrolled about 60 per cent are girls. At present the College has beautiful campus and playground.

The college has active Internal Quality Assurance Cell (IQAC), which is organising the various events from time to time on various burning topics of interest for academia industry and society at large. In this context IQAC of the college is organising national seminar on the topic "Synergizing Sustainability: Integrating Environmental, Economic, and Social Development for a Resilient Future" on 22<sup>nd</sup> February 2025. Sustainable Development is a concept that aims to meet the needs of the present without compromising the ability of future generations to meet their own needs. It is based on three pillars: social development, environment, and financial sustainability.

The National Seminar on Sustainable Development aims to explore the relationship between sustainable development, socio-economic inequality, and ecological sustainability and further put deep thought on various ways and means of integrating environmental, economic, and social development for a resilient future.

The seminar will also discuss the various issues in addressing

these challenges as per detail given below.

### Objectives

- To facilitate dialogue among different stakeholders on advanced sustainability practices
- To explore innovative solutions for environmental, economic, and social challenges
- To promote integrated and comprehensive approaches for sustainable development
- Discuss the role of technological advancements, global inequalities, and socio-cultural transformations in shaping future policy directions
- Encourage multidisciplinary dialogue among scholars, students, and practitioners
- Put deep thought on various ways and means of integrating environmental, economic, and social development for a resilient future

### Themes

#### 1. Environmental Sustainability

- Climate change mitigation and adaptation
- Eco-friendly technologies
- Biodiversity conservation
- Water and waste management
- Climate change and disaster resilience
- Sustainable infrastructure development

#### 2. Economic Sustainability

- Green economy and sustainable business models
- Renewable energy and energy efficiency
- Sustainable agriculture practices
- Sustainable consumption patterns

#### 3. Social Sustainability

- Inclusive and equitable development
- Social entrepreneurship and innovation
- Education and awareness for sustainability

### 4. Literature and Language:

- Diving Deep to reach the Roots of Sustainable Development.
- Sustainable Landscapes : Depiction of eco-friendly practices in literature

### Expected Outcomes

1. Policy recommendations for sustainable development
2. Networking among stakeholders
3. Showcasing of innovative sustainability solutions
4. Research paper publications

### Target Audience

1. Academia and research institutions
2. Government agencies and policymakers
3. Industry and corporate sector
4. Civil society organizations and NGOs
5. Students and youth leaders.
